

# GRAS RA0081

Special tool for gripping 1/2" microphones

Pliers for firm but gentle gripping of a 1/2" microphone when unscrewing its protection grid or unscrewing the microphone from a preamplifier.

## **Introduction**

The GRAS RA0081 is a tool for gripping a 1/2" microphone cartridge safely when unscrewing its protection grid. It has a pair of soft, semi-circular jaws.

## **Quality & Warranty**

GRAS accessories are made of stainless steel, alloys and high-quality composites. These items are covered by a 2 year warranty respecting their intended use.

On consumables like batteries, cables and windscreen we offer a 6 month warranty.

## ABOUT GRAS SOUND & VIBRATION

GRAS is a worldwide leader in the sound and vibration industry. We develop and manufacture state-of-the-art measurement microphones to industries where acoustic measuring accuracy and repeatability is of utmost importance in R&D, QA and production. This includes applications and solutions for customers within the fields of aerospace, automotive, audiology, and consumer electronics. GRAS microphones are designed to live up to the high quality, durability and accuracy that our customers have come to expect and trust.
